Spend the night sleeping under the stars

By Jessica Lipari,
USAG Bamberg Public Affairs

BAMBERG, Germany -- Roasting a marshmallow on a crackling campfire under the stars out in the wilderness listening to a friend or family member tell a ghost story is the atmosphere that the Night at the Lake event provides.

On June 15, U.S. Army Garrison Bamberg is having their third annual Night at the Lake at Engineer Lake.

Family and Morale, Welfare and Recreation organizes this event to provide a safe camping atmosphere for all community members to enjoy.

Whether community members want to pitch a tent and spend the night or if they just want to stop by to enjoy the free entertainment provided, all are welcome at this family-friendly outdoor event.

"This event is being conducted with the intent to capitalize on the superb recreational environment that our Engineer Lake provides community members," said Joshua Moore, Outdoor Recreation director. "Especially those living on post, with the ability to spend the night

under the stars, while enjoying a cost-free and family-friendly entertainment within walking distance of home."

If one requires a tent or other camping

equipment, a limited supply of camping equipment is available for rent at a reduced rate at Outdoor Recreation.

Items available include tents, sleeping bags, sleeping pads and propane stoves.

"This year, we have added a new selection of family tents to our rental lineup that have received rave reviews from our customers," Moore said.

The price list for rental equipment can be found on the USAG Bamberg website at <http://www.bamberg.army.mil/directorates/dfmwr/odr.asp>.

Campers do not have to worry about cooking their own food while camping out. Family and MWR will be selling food at the lake from their imbiß wagon.

Hamburgers, hotdogs, chips and beverages, including beer, will be available during the evening. In the morning, there will be breakfast burritos for sale.

Camp fires will be burned in fire-bowls provided by Outdoor Recreation and will be distributed throughout the camping areas by ODR personnel.

Summer reading program registration begins June 13

By Simon Hupfer,
USAG Bamberg Public Affairs

BAMBERG, Germany -- Summer is the time for all kinds of delicious things: barbecues, strawberry ice cream with waffles, watermelons and -- yes! -- books!

The 2012 Summer Reading program is kicking off June 20 at Bamberg's community library.

This year's program is called "Reading is Soooooo Delicious" and will be stuffed with various programs to encourage reading and stress the importance of good reading skills.

All programs are open to children 5 years through 17 years old; registration starts June 13 at Bamberg's community library.

"Every Wednesday at 4 p.m., except on July 4, we will offer different activities," said Karen Lazzeri, Bamberg's library director.

Every registered reader will receive a reading log and a bag filled with little toys, pencils and stickers. Participants will have to record 10 books in their log book; three of them must be either Newbery Medal, Honorary Newbery Medal or Caldecott Award winners, Lazzeri said.

"All eligible books have a red dot on the spine and can easily be identified in our library," she said.

In addition, participants will complete one project with the theme or their favorite book,

Detour: Incoming Gate 3 traffic to be rerouted June 15-22

By Heidi Sanders, USAG Bamberg Public Affairs

BAMBERG, Germany -- Motorists entering Warner Barracks through Gate 3, on Zollnerstrasse, will encounter a detour as they drive onto post beginning June 15.

One lane of Zollnerstrasse will be blocked off just inside of Gate 3 to allow repairs to the bollard system.

Outbound traffic will still be able to exit through Gate 3 as usual.

Incoming traffic will be rerouted onto 15th Street alongside Building 7047, on to Victory Drive behind Building 7000 and then onto 16th Street.

From June 12-15, 15th Street will be closed. After the work is completed parking will be allowed on 15th Street along Building 7047.

Parking will not be allowed along the Summerall Field side of 15th Street.

From 2-3 p.m. on June 15, Zollnerstrasse will be completely blocked. Motorists should use Gate 5. The inbound detour will start at 3 p.m.

Work is expected to be completed on June 22. Rerouting may be

required that day while a test run is conducted.

After the test run, the detour will be removed.

SatoTravel to close doors on leisure travel at Warner Barracks

By Jessica Lipari, USAG Bamberg Public Affairs

BAMBERG, Germany -- Summer vacation is around the corner and community members looking to make travel plans through SatoTravel at Warner Barracks will have to look elsewhere starting June 15.

According to SatoTravel management, leisure travel will be given up in Bamberg, said Karin Stiefler, U.S. Army Garrison Bamberg Transportation Office Branch Manager.

"The reason why we are losing the leisure agent is not published," Stiefler said.

Leisure services will still be available at USAG Ansbach and Schweinfurt travel offices if community members are willing to commute to make travel plans.

Community members can also use the following methods to book leisure travel through SatoTravel:

- Visit the website www.europe.satovacations.com - online bookings are available as well as online booking requests.
- Call the leisure booking and service center from home Monday

to Friday from 8 a.m. to 5 p.m. at 06302-923717.

"We also encourage people to use the local travel offices off post and other commercial travel websites," Stiefler said.

There is however, one exception as to when leisure travel can be booked at the travel office at Warner Barracks after June 15.

"Leisure travel in conjunction with traveling on orders is considered official business and will be processed," Stiefler said.

Official business travel includes Permanent Change of Station, Expiration of Time of Service, Temporary Duty assignment or Emergency Leave.

Currently there are two agents at the travel office to help customers with official business travel and one leisure agent at the Bamberg office.

"We are hoping to keep the leisure agent for the official business part," Stiefler said.

Official travel business hours remain 8 a.m. to 4:30 p.m. Monday to Friday.

For more information, call 0951-935-030.

Stateside number gives callers easy access to Army in Europe from the U.S.

By U.S. Army Europe Public Affairs

HEIDELBERG, Germany -- Anyone can now call the Army in Europe's official Defense Switched Network phone numbers from the U.S. via a standard Stateside commercial telephone number.

The phone number 301-981-1059, gives callers in the U.S. who do not have a DSN line available immediate commercial access to an operator in Germany, who will then connect them to the appropriate DSN number in Europe.

"We realized that some people stateside, not used to calling overseas are put off by foreign access codes and country codes," said U.S. Army Europe Chief of Public Affairs Bryan Hilferty. "I know I was."

"So we designed this system to encourage communication with incoming Soldiers and Families, as well as with U.S. citizens or researchers who have questions about the Army in Europe."

"However, you still need to know

the unit you want to connect with, or their DSN number, or the operator cannot complete the call," Hilferty said.

"And remember, the Army in Europe is six hours ahead of the East Coast, so best to call us when it is morning in the U.S.," he said.

Callers must pay commercial calling costs to the Maryland 301 area code, but there are no overseas calling charges, and the number is accessible from any phone.

This number is for official use only not for "morale and welfare calls," to access a civilian number, or for other personal use.

Furthermore, the primary method for official communications remains DSN or email.

For more information, send an email to ocpa.pi@eur.army.mil or call us at +49 (0)6221-57-7270 or call 1-301-981-1059 and ask for DSN 370-7270.

Preschoolers can earn prizes as well by being read to.

During the summer reading program, participants can enjoy some delicious field trips.

"We are going to see how food is prepared at Burger King on July 11 and have lunch there afterwards," Lazzeri said. "The program will be concluded with an award ceremony for the best readers, children's bowling and pizza at the Birchview Lanes Bowling Center on July 18. The reading program is a perfect way to bridge the time between two school years."

The library has new hours of operation and will now be open Monday, Wednesday and Friday, 11 a.m.-6 p.m., Tuesday and Thursday, 11 a.m.-7 p.m. Saturdays the library will be open 11 a.m.-3 p.m.

During American and German holidays, the library will be closed.

For more information visit the community library, Building 7047, or call 0951-300-1740.

"Firewood will be provided, although a little volunteer ax work would be greatly appreciated," Moore said.

There are no specific rules or restrictions for the event other than the existing ban on fishing and swimming at Engineer Lake.

"The number one rule is to relax and have a good time," Moore said.

Those who would like to attend the event can start setting up their tent at 3 p.m. The live music starts at 5 p.m. and ends at 7 p.m. followed by a family-friendly movie at 8:30 p.m.

This year Arizona Joel will be returning with his acoustic guitar to provide the live music.

Bouncy castles will be on site for play during the daylight hours.

Night at the Lake was one of the events submitted to help earn USAG Bamberg the 2011 Army Recreation Award for Best Recreation Program Medium Garrison.

Symptoms in adults can appear like a common cold and develop into violent coughing. Preventing the spread of the disease is possible. Eco-Friendly Tips

Water-saving Tips

1. When you clean your fish tank, use the 'old' nitrogen and phosphorous-rich water on your plants.
2. It's best to water the roots and soil around plants rather than spraying the leaves and flowers.

Energy-saving Tips

1. Adjust lighting levels. Higher light settings use more energy, so save energy by using dimmer controls, high/low switches, or three-way bulbs to adjust the level of light to exactly what you need.
2. Another fun energy-saving tip is to share rides to work, school, church and social activities. You'll make new friends and save valuable fuel.

Recycling Tips

1. Invest in high-quality, long-lasting products. You might pay more now, but you'll be happy when you don't have to replace items as frequently (and this means less waste!).
2. Buy rechargeable batteries.
